It is with much pride that this year's yearbook staff presents the 1985 Weicon to the Senior class.

This year's theme is "We will never pass this way again". I sincerely hope that as you pass through life, you will look back at these pages and remember all of the good times you've had at Weiser.

Many hours of hard work and dedication have gone into the making of this book. Nevertheless, we have enjoyed putting it together. The staff would like to thank Mrs. Chrystine Heck, the advisor and the business advisor, Mr. Terry Morgan, for all their time, effort, and dedication.

And now, the 1985 Weicon.

Sincerely,
Julee Witman

TREASURER	MEG NASE

To the Senior Class of 1985,

Six years ago, we were unsure of what lay ahead of us. As time progressed, we made many discoveries concerning the people around us, our goals, and ourselves. Each individual contributed some special quality that made our class unique. Together we experienced both the good and the bad and not only did we learn in the classroom, but also from each other.

Now we are once again going to be faced with the many new situations which lie ahead. As some of us go on to further our education while others enter the working world, I leave with you all the many memories of Weiser which we will always cherish. I wish you all a life full of luck, success, happiness, and the courage to pursue your goals-For "In the Magic of our Dreams everything is possible. The best is just beginning."

Your Class President

FOREIGN EXCHANGE

Last December when I was chosen as the foreign exchange student to represent Weiser, I really had no idea what was going to be in store for me. As I look back to this past summer, I realize that it was a rewarding experience.

I was lucky to have, besides my two host parents, a host sister and a little host brother. They lived in a city named Wettingen which is not far from Zurich, the largest city in Switzerland. They lived in the German-speaking section of Switzerland, so I got to use my elementary German skills quite a bit.

I enjoyed every minute of the time I was there, and I brought home many happy and fond memories. Being an exchange student was an experience well worth the effort.

Julee Witman

Living in Australia was an interesting and educational ex perience for all involved. I lived in Australia for a year in an near Geelong, Victoria.

I traveled around the Melbourne area when I could, an visited the states of New South Wales, South Australia, an the red center of the Northern Territory.

Attending Geelong High School was probably the bigges adjustment I had to make. The spelling curriculum was ver hard and only college bound students, for the most part, sta on past 10th grade.

It was hard work learning to think and be like an Australia because there are many conflicting values between our cu tures. I also had a lot of fun and learned valuable things abou myself, Australia, and America.

Lori Smit

My name is Zina Johnson, I'm 16 years old, and an exchange student from Sweden. I live with a great family in Wernersville. Before I came to the United States I was very nervous. I asked myself "What if things don't work out? What if I didn't like America?" But I like it a lot. I had to make some changes and adjustments; school is very different here than in Sweden, and the food is also different. I think it is very interesting to see how other people live, to practice their customs, and to study their cultures. I think it is a good experience, and I'm going to miss everything when I go home.

JUNIOR MISS 1984-1985

Being Conrad Weiser's 1984-85 Junior Miss Representative was one of the best experiences anyone could desire. Although the pageant was time consuming, the time was spent working hard and having fun.

Learning the routines and which way to turn are just two of thousands of memories I hold of those many Sundays. The ninteen friends I gained are some of the best I have.

Combine that with all the other things I learned about myself and working with others and you can obviously see how much it meant to me to represent my school.

I adise all girls to reach for their goals and set those goals high. If you reach just one of those goals you'll experience the joy that I did this year. God luck to all future Junior Misses.

Love,
Anita D. Dreibelbis

DR. RICHARD W. MILLER

Your motto applies to all of one's moments as a human being. As graduates, you will periodically reflect on your experiences as a student at Weiser. We hope these reflections surface as pleasant memories.

While you will not pass formally this way again as students, as graduates, use your "passing through years" as a benchmark for making your present and future endeavors successful, rewarding, and prosperous.

Richard W. Miller, Ed.D.
Superintendent of Schools

Mrs. Martha Trupe, Secretary

MR. TERRY W. REBER

We realize with the passing of each hour, day and year, "We will never pass this way again." Therefore, it is important for each individual to make the most of each moment of life. The formal education process affords each person the opportunity of the moment to build a strong foundation and achieve to one's maximum potential. The yearbook staff reflects in the "Weicon" many of these educational opportunities. Have you made the most of your years? It is never too late to start.

Congratulations to the "Weicon" Staff and good luck to the Class of 1985.

Mr. Terry W. Reber
Assistant Superintendent

Mrs. Joenita Speiss, Secretary

HAROLD E. STERN

I love mystery stories; particularly the part when the detective gathers all the subjects together and points his finger and says, "You did it!". All that remains then is to hold the guilty one responsible. Well, I feel I could be a good detective and point my finger and say, "You did it!". All of you pictured in this book must take full responsibility for your success. You are guilty of hard work and hours of study and practice, and fully deserve to achieve your goals.

Though you may never pass this way again, we will long remember what you did here!

Harold E. Stern
Sr. High Principal

Mrs. Elaine Shartle, Secretary

I would like to take this opportunity to extend congratulations to each of you for achieving something very special in your life. You may not fully appreciate the significance of your diploma at this time; however, it will not be long until you know the real meaning of your class motto "we will never pass this way again". Of all the hidden messages to gain from this saying, one should care enough to make the best of every opportunity in life. Congratulations again, take care, and try to do your best.

Mr. George M. McLain Jr.
Director of Curriculum & Instruction

MR. GEORGE M. MCLAIN JR.

Mrs. Eileen Kulp, Secretary

Mrs. Glenda Worman, Secretary

To the Class of 1985 I wish the best of luck and success in all your future endeavors. I hope your years at Conrad Weiser have been filled with rewarding experiences and enjoyment. Try to always do your best and strive hard to be successful. When opportunity awaits you, seize the moment to become successful since you may not get a second chance. Enjoy your experiences as you go through life since "you will never pass this way again".

SOCCER

The 1984 Soccer Team was made up of a group of very talented individuals. Each member did his own part to make the team an overall success. Their efforts were well rewarded when the year ended with a record of 19-4-1. Our Soccer Team took the District III Championship and is ranked number 9 in the state of Pennsylvania.

Four members made the All-County Team. They are: Tim Maurer, Scott Ravert, Randy Rulapaugh, and Tom Stuck. These players have put forth a lot of time and dedication. Scott Ravert has received the honor of being chosen to participate on the All State Team.

Mr. Wilson Hartranft should also be recognized. He was named Coach of the Year for the second consecutive year.

HOCKEY

The Scouts had an impressive record of 10-3-3 under the direction of head coach Liz Egner and assistant coach Kath Kirk. Under the leadership of the tri-captains, Sherri Aulenbach, Lori Brunner, and Tina Groff, the Scouts were unstoppable. The offense moved like the "wind" on a break away. The young new defense under the command of Melissa Klopp proved inexperience can still get the job done. The most memorable moment was the 4-3 win over Holy Name. The Scouts reached the quarterfinals of the District 3 tournament but lost a tough game to Palmyra. Mel Sanders, Missi Sanders, and Lori Brunner were chosen for the Division 2 all-stars by Berks County coaches. Congratulations girls, you never quit!

TENNIS

The 1984 Girls' Tennis Team began with a very slow start, having only four members. But, as the season advanced, the team gained five more enthusiastic members. The team had a tough season, but enjoyed it thoroughly. Under the coaching of Don Long were the three seniors; Kira Leinbach in first position, Kris Bashore in second position, and in third position, Diane Schafer. Juniors, Kim Yeingst and Hope Tinklepaugh held the fourth and fifth positions respectively. The other members of the team were Vanessa Howe, a junior; Dawn Buchta, a sophomore; and Christina Kline, a freshman.

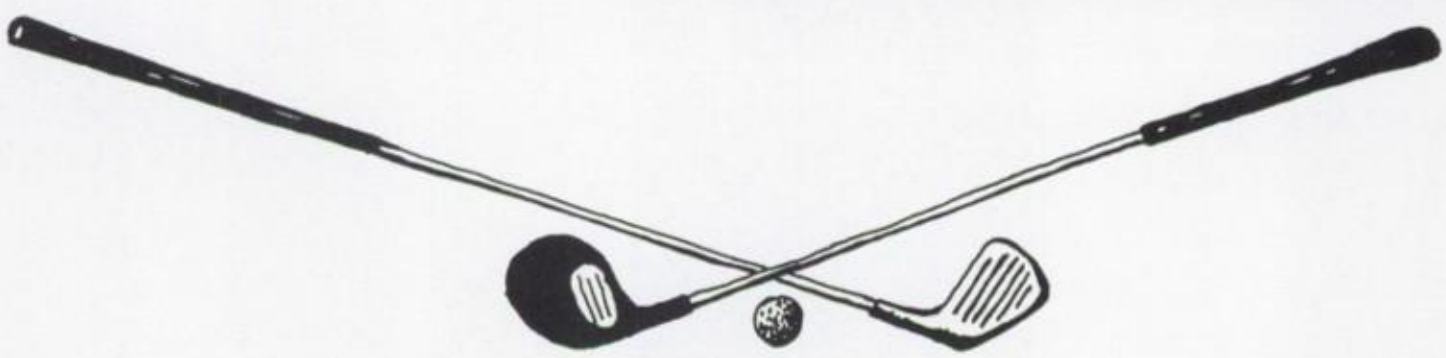
GOLF

The 1984 Golf Team had a tough season due partially to the inexperience and youth of the team. The team had only one senior this year, Tony Buckholz, who played in the team's number one position and held the lowest scoring average for two years in a row. Along with Tony, Bill McLain, a junior, in 2nd position, and Kristin Roland, a Freshman and the only female member qualified for Districts. Kristin also achieved another big accomplishment. She finished fourth in the county. We hope to see much more from Kristin in her future years.



CROSS COUNTRY

The 1984 Cross Country Team had a good running season. The final record was 9-1. The team took second place in the Berks Conference. This was due to the injury of Steve Sillhart. The team placed eighth in Districts. This year there were a few injuries which prevented the team from reaching their full capabilities.

Bob Phillips placed ninth in Districts, 19th in the State Meet , and is the County Champion.

BASKETBALL

This years basketball team managed to pull out some close games. The captains, Steve Lutz and Mike Embleton, have done a fine job of leading the team. Jim Dietz, John Jones, and Rob Tranquillo are also a great asset. Injuries to Mike Moyer and Alan Moyer hurt the team for the first half of the season, but Mike was able to participate in the second half and contribute to the team. Hopefully the Scouts will have a successful season.

GIRLS BASKETBALL

The Conrad Weiser Varsity Girls Basketball Team, lead by senior tri-captains Donna Laumeister, Lori Brunner, and Tina Groff, compiled a record of 8-14 this year, including a 4-8 record in competitive Division II. The Scouts won one-point thrillers against Cocalico, Reading, and Exeter (in overtime), and the only teams in Division II the Scouts didn't beat were co-champs Wilson and Governor Mifflin. Individually point guard Missi Sanders set five school season records, including most points in one season, 328. Her 15.6 point average for the season ranked third in the division and eighth in the league overall. On the boards, Donna Laumeister led the team with 147 rebounds. Other key players were sophomores Erica Miller and Jodi Zwicky and juniors Mel Sanders, Amy Himmelberger, and Lyn Miller. Coach Tom Bausher is looking forward to next year's team with six returning varsity players.

The J.V. team, coached by Liz Egner, showed improvement over the season. The team composed of four sophomores and eight freshmen, gained much experience throughout the year and look forward to a good season next year.

WRESTLING

Wrestling: This wrestling season was a great one for the Scouts. For the first time in many years they had a winning season. In fact they even placed first at the Donegal Christmas Tournament. On the team this year there were two seniors, Rick Esterly and Todd Evans. They will be missed, but because of the showing of underclassmen the team is sure to have a winning record again next year.

WEICON 1985

The members of the 1984-85 Weicon staff have devoted many hours both during and after school. Though experiencing technical difficulites, we have managed to produce yet another yearbook. A special thanks must be given to the faculty for their patience and understanding. An extra special thanks goes to Mrs. Chrystine Heck and Mr. Terry Morgan for sacrificing their time and energy. It is our sincere hope that this year's Weicon will bring back many relished memories.

DRAMA CLUB

This years Drama club production was "You Can't Take It With You." The play was set in the home of Martin Vanderhof, an out-of-the ordinary grandfather. Other inhabitants of this zany household were Martin's daughters Essie and Alice and many unusual charactors. The story centers on the engagement of Alice and an upper class gentleman named Anthony Kirby, Jr. The real fun starts as the families meet and through several misunderstandings everyone is arrested. Yet in the end several lessons are learned and love prevails with the wedding of Alice and Tony being foreseen by all.

Congratulations to all on a job well done.

NHS

This year seventeen new members, three seniors and fourteen juniors, were inducted into the National Honor Society.

The inductees were chosen according to their grade point average and school involvement. All NHS members must maintain a 3.5 grade point average and be involved in a multiple of school activities. These young people were honored for their scholarship, leadership, character, and service to the school.

The ceremony began with opening words from President Meg Nase. Jenny Lord, David Randler, Julie Smilak, and Kris Bashore gave inspiring speeches on the four topics listed above. Guest speaker, Mrs. Weber, and Mr. Stern added their congratulations and a few words of wisdom. The entire induction ceremony was arranged by Mr. Lester Breininger, club advisor, and an enjoyable reception followed.

This has been an extremely successful year for Student Council and once again they have earned the respect of many.

As usual, the Student Council has sponsored the Chicken Barbeque at Homecoming and the Welcome Back Dance at the start of the school year. The day before Christmas vacation the council held the annual staff breakfast and provided the movie "Footloose" for the student body. They also rewrote the dress and conduct code for the reinstatement of the dances.

Under the leadership of President Julie Smilak, Vice-President Todd Evans, Secretary Stefanie Shartle, and Treasurer Leslie Weatherholtz, this year's Student Council has contributed to many worthwhile projects. Of course none of this could be possible without the hard work and devotion of the advisors Mrs. Schmoyer and Mrs. McCubbin.

SENIOR BAND

This year was one of great accomplishment for the Marching Scouts. The band was under the direction of Mr. Harry C. Stevenson, Jr. The show was conceived and arranged by the combined efforts of Mr. Stevenson and the band staff which consisted of: bandfront coordinator, Ms. Jill Bustard; flash-flags instructor, Ms. Stephanie Kissling; rifle instructor, Ms. Brenda Billings; brass instructor, Mr. Louis Zanine; percussion arranger and instructor, Mr. Christopher Fiest; and marching and maneuvering instructor, Mr. John Kegerise.

The 1984-85 Marching Scouts were very competative this season and always placed high in their competitons, in addition to preforming at all the Varisty football games. As you know, the Marching Scouts began their arduous climb in their competitive band rankings in 1983 with a respectable 13th place finish at the Band Championships. This year they improved that state ranking by some nine places in their conference; from 13th to 4th in just one year.

This year, for the first time, the band will be traveling to Florida to compete with other bands from all over the United States. They hope to have a very rewarding experience and also do well in the competition.
